A Letter From the (New!) Editor

Hi! I would like to introduce myself. My name is Paislee Gordon, the new Managing Editor. I can't believe I just wrote that! Only a few short months ago I was the Editor of my high school newspaper (circulation 104), and now I am the new Managing Editor of TIGHT magazine. Forgive me if I seem excited, but I am!

You are probably wondering how I got this job, which is kind of a fun story, actually. After graduating from high school I decided that instead of rushing right into college I wanted to take some time off and hopefully intern in publishing. About that time I attended a lecture given by Dian Hanson (TIGHT's Editor-in-Chief), where she had been talking on the subject of "Career Opportunities in Erotic Publishing," and afterwards I introduced myself and we got to talking. She asked if I'd ever considered erotic publications and when I told her I didn't actually have a lot of heavy-duty erotic experiences to draw on, she said, "Perfect! Would you like to be the new Managing Editor at TIGHT, my dear?"

And I was like, Are you kidding me!?!?

Apparently this was perfect timing. Jennifer Hunter (the former Managing Editor) felt she had outgrown her position and was leaving the magazine, so Dian needed someone to step into her shoes. (Jennifer will be contributing a great new internet column titled "Tight Bytes" starting this month.)

Dian has been supernice to me, and Jennifer couldn't have been sweeter about teaching me the ropes. I have had some funny experiences as an 18-year-old Editor, like going out to lunch with a new photographer and they order a martini and I'm not even old enough to drink yet! But I'm loving The Big Apple and I've met a lot of wonderful people. Some of my best new friends are the models when they visit the office. We have a wonderful time talking about everything—from boys, to the more serious aspects of what it's like being a career woman, dieting secrets, fashion tips and so on.

I really feel blessed, like I am living out a movie or some kind of fantasy. IT'S SO COOL!!! (There I go again.)

OK, you guys. I just wanted to introduce myself, and keep you all posted on what's going on around here. Please write to me or e-mail me at slutsrus@echonyc.com because I honestly would love to hear anything you have to say. Love!

puffie hall of fame

Hyapatia Lee

Tight is always on the lookout for the finest in fresh maidenhood, and sometimes that can even mean revisiting the past. Case in point: Miss Hyapatia Lee, pictured here in the mid-'80s, when she was 20 or so and her prize-winning puffies were at their peak. A former ballet dancer, Hyapatia was an all-natural beauty whose athletic charms made her a star of strip stages and porn screens nationwide. This temptress of yore (seen here gussied up as an Indian maiden) was an unabashed bi-girl ("I suck and sometimes I eat pussy. Actually I eat pussy a lot, since I'm very bisexual") whose particular weakness was for tickle-torture. And nowhere was she more sensitive than—you guessed it—those memorable puffies.

“If I had a daughter like you, I’d teach her not to sass,” he said, and

the next thing he did really surprised me. He just grabbed me over his knees, pulled down my panties, and started to whale on my ass with the sneaker! I could feel his thing rubbing against my belly as he whipped me, and every couple of spans he’d reach down to stroke my pussy, then jab a couple of fingers inside! It was a little bit weird and painful, but at the same time exciting. It was kind of like I found out there was this really cool thing I never knew about, and pretty soon it was like it was all mixed up together—the stinging of the spanking, the thought that I shouldn’t be doing this (especially with my mom’s ex!), the incredible feeling that was coming from his fingers squishing in and out of my wet pussy.

Then he flipped me on my back and climbed on top. He had his thing aimed right between my legs, and I could feel it rubbing up against my little pussy. After rubbing it up and down between my slippery pussy lips he slowly shoved it all the way inside me, and I felt like I was being split in two.

He just kept doing it fast and hard until I could feel myself shaking and screaming for it. It was like my pussy was having some kind of fit around his thing, squeezing it over and over and over as he continued to slide in and out of me.

I could feel his thing go even more steely hard, and he pulls out, climbs up my chest, and then all of a sudden it’s squirting stuff splat-splat-splat, all across my face and hair!

He leaves me there with my eyes all glued shut, and I could hear him pounding down the steps, and the front door slamming as he left. The next thing I know the phone’s ringing, and when I pick it up it’s my mom. She’s like, “Did Stu get off all right?” Which is kind of a funny question, if you think about it. Only I can’t even say anything, I’m laughing too hard.

A couple weekends ago me and Jessica went on a camp-out.

I guess you could say I was kind of out to seduce her—which maybe that's because that's how I learned to like girls, I got seduced by one. That was at the beginning of my freshman year, when my roommate Jade turned out to be a total dyke and was flirting with me from day one [TIGHT, 12/97]. At first I was like, *Are you serious?!* And I guess she was, because she just pulled my shirt up and started licking my titties, and we ended up doing *everything*. (Yes, I not only kissed a girl, I ate pussy!) That turned out to be a lot of fun! To make a long story short, we ended up kind of going steady for almost a whole semester, before she got kicked out of school for stealing panties and other stuff from the girl's lockerroom. Now I'm not totally gay, but I guess you could say she opened me up to a whole new world of looking at girls.
